GOVERNMENT OF ORISSA

**HEALTH AND FAMILY WELFARE DEPARTMENT**

RESOLUTION

The 20th April 2006

SUBJECT –Inter-Directorate transfer of Ministerial staff working under Combined Health Directorate.

It has come to the notice of the Government that some staff are working in particular, Directorates for pretty long period. This creates administrative bottlenecks. Hence, in order to ensure efficient and responsive administration, Government have been pleased to lay down the following principles to regulate the transfer and posting of Directorate staff working under the administrative control of Health & Family Welfare Department, in consonance with the transfer policy enunciated by the G.A. Department from time to time.

1. In a particular Directorate, no ministerial staff remain in a particular seat for more than 3 years. The concerned Director will be personally held responsible for deviation of such principle.
2. A Transfer Committee consisting of the Deputy Secretary to Government/Under Secretary to Government and Director of Health Services shall suggest inter-directorate transfer of staff who have worked for 6 years or more in a particular Directorate. This exercise will be done after obtaining necessary information from all the concerned Directors during general transfers i.e. between 15th April and 15th June subject to changes by the General Administration Department from time to time.
3. In case of staff working under Director of Indian Medicine & Homeopathy which is not coming under Combined Health Directorate, the concerned Director will strictly follow the principle laid down in para-I.

By order of the Governor
